**Hot Stiletto
Gala Supports
Newhouse**

Hot Stiletto's seventh annual Charity Shoe Gala has raised over \$13,000 to support programs and services for victims of domestic violence. This unique shoe lover's celebration is truly a party with a purpose, showcasing the hottest shoes for both men and women while addressing the importance of increasing awareness and funding to assist families impacted by domestic violence. Hosted by Fox 4 News evening anchor Dhomonique Ricks at The Gallery Event Space, located in the downtown Power and Light District, this year's event focused on continuing to build community awareness, partnerships and increasing support to assist the women and their families displaced by abuse. Newhouse domestic violence shelter has been a proud recipient of this fundraising event for over six years. President and founder Vicki Kelley created a program, Heels Can Heal, #heelscanheal, to demonstrate how women can walk away from an abusive relationship with support of those who care. ■
